Step 2: Assemble Top

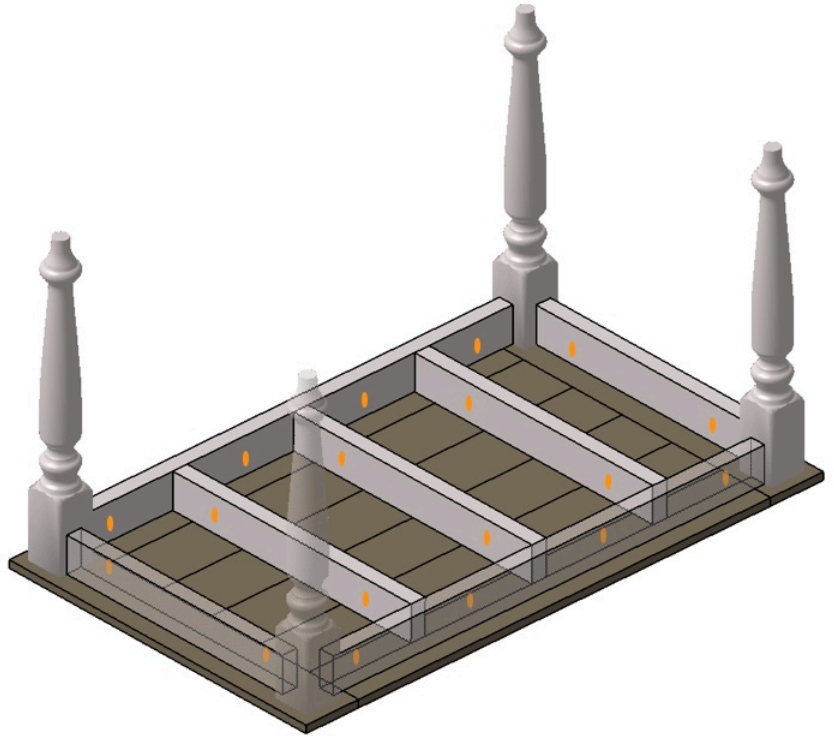

1 x 6 x 33" (breadboard)
1 x 6 x 43" Planks (Qty 6)
1 x 6 x 33" (breadboard)

Lay out boards as shown. Mark and drill pocket holes. Clamp and assemble 43" planks using 1-1/4" pocket hole screws. Cut straight edges to assure flush breadboard fit. Drill pocket holes and attach breadboards using 1-1/4" pocket hole screws.

Step 3: Final Assembly

Utilize the existing pocket holes from step 1 and attach the base to the top using 1-1/4" pocket hole screws.
